The guidelines are contained in the club's Safeguarding Policy, a copy of which is available on request from the Management, the Junior Committee or from the club's website. The Men's Club and Ladies Club have agreed to adhere to and implement Galway Bay Golf Resorts policies in accordance with the guidelines adopted.

It should be noted however, that the complex is a recreational facility and Galway Bay Golf Resort will not provide supervision or monitoring of junior members engaged in the casual playing of golf, or in the use of its facilities. Where structured competitions, coaching, or other events are run under the auspices of Galway Bay Golf Resort, appropriate provision will be made in respect of supervision of these events in accordance with the guidelines.

We do not permit children under the age of 10 on the golf course and those between the ages of 10 years and 13 years must be accompanied by an adult at all times.

2. GENERAL DATA PROTECTION REGULATIONS

We will not divulge the personal information of any member to any outside or third party organisation. In the event any member leaves the Club all such information will be removed from our records. Please be aware that you can request confirmation of any information held, and you can opt out of all/any communications from the resort by notifying us via email at galwaybayjuniors@outlook.com

3. MEMBERSHIP OF GALWAY BAY GOLF RESORT

This document applies to those classified as 'Full Junior Members' only.

Galway Bay Golf Resort is owned and operated by Galway Bay Golf and Country Club Limited. In order to be eligible to use their practice facilities and golf course each junior must join Galway Bay Golf Resort either as an individual member or as part of a family membership. All fees must be paid by the 31st of January each year. Those failing to pay prior to this due date will cease to be a member of the golf club.

Junior members are aged 8-17yrs on Jan 1st each year. An applicant >17 yrs is accepted as a junior member if they're in full-time second-level education at the start of the calendar year.

Golf tags and stickers must be clearly displayed on your golf bag at all times.

Full Junior Membership

Upon proving their enthusiasm for the game and deemed 'course-ready' by Dara Ford PGA Professional, a junior is eligible to apply for full junior membership:

- New members are accepted on the condition that Galway Bay becomes their 'home' club and they make themselves available for selection to represent Galway Bay in Interclub competitions.
- Each member must complete a minimum of 8 lessons of coaching and participate in at least 10 Galway Bay competitions by Oct 31st each year to be eligible for automatic renewal. Lessons may be individual or group. Current junior members that hold a GUI handicap must complete at least 4 of these lessons with Dara Ford. Those without a GUI handicap must complete all 8 lessons with Dara Ford. Those that fail to meet this criteria must re-apply for membership, and their application will be considered alongside those on the waiting list.

Resort Dress Code

It's important to uphold the traditions of golf so the smart appearance of all our members is expected when using the resort facilities:

- For your own safety no runners are allowed while playing golf, so appropriate golf footwear with soft spikes should be worn
 - Smart clothing must be worn at all times on the golf course. Denim jeans, football, rugby, soccer and similar shorts or jerseys, hoodies, cargo pants/combats, tracksuits **are not** permitted.

- Junior members have access to the restaurant facilities.
- Junior members under the age of 18yrs must vacate the bar by 6pm, unless accompanied by an adult.

Keep your golf bags and shoes tidy at all times, no bags or equipment should be left at any entrance to the building, and always clear up after you when using the bar/restaurant facilities.

The Locker Rooms are for changing purposes only and are not a recreational 'hangout' area.

4. COACHING

Research indicates that “young people engaged in coaching display a stronger connection to their chosen sport and that coaching increases their enjoyment of playing that sport, their passion and commitment to it plus the time they spend playing it” (scUK Participant Survey, 2014).

Membership renewal is only guaranteed if a member completes at least 8 lessons of individual and/or group coaching up to Oct 31st each year. If this criteria is not fulfilled those juniors must re-apply for membership and will be considered alongside those on the waiting list. GUI handicap holders must complete at least 4 of these lessons with Dara Ford. Non-GUI handicap holders must complete all 8 lessons with Dara Ford.

Dara Ford PGA Professional, supported by the junior committees, provides year-round coaching options appropriate to the age and stage of each junior golfer’s development including:

- A Spring group coaching programme leading into the start of the golfing year, with particular emphasis on those who don’t hold a GUI/ILGU handicap
- A Summer programme offering coaching in small groups of golfers of similar ability enabling all juniors to achieve their highest potential.
- One to One golf instruction specifically designed for juniors.

Each junior committee supplements the resorts programme by organising off-season group practice focused on members playing year-round. Priority is given to members of the Men’s Club / Ladies Club [i.e. have GUI/ILGU handicaps] but others are offered the chance to join based on their participation in off-season junior events, commitment to individual 1:1 coaching, and the number of coaching slots available. These sessions focus on specific long-game and short-game shots, and in the process, educate members on how to build their own individual practice programme that ensures long-term success through quality practice.

5. GALWAY BAY JUNIOR CLUB

Galway Bay Junior Club is administered by the Men's and Ladies Clubs (affiliated to Golf Ireland) through the appointment of respective Junior Committees. Each Junior Committee consists of:

1. A Junior Convenor as designated by the Men's and Ladies Clubs
2. A designated representative for the Resort
3. A Junior Captain
4. Other adult members as designated by the Men's and Ladies Clubs

Once a junior member becomes eligible for a senior GUI/ILGU handicap he/she must join the respective Men's/Ladies Club.

- Application forms are available from a junior committee member. Applicants must be proposed and seconded by two adult members, and their application is then taken to the adult committee for approval.
- An annual subscription, which is set at the AGM of each club, is payable to cover affiliation fees due to the GUI/ILGU, golf insurance and handicap management.
- New members are accepted on the condition that Galway Bay becomes their 'home' club. Each junior member is expected to make themselves available for selection to represent Galway Bay in Interclub competitions.

The Boy's and Girl's Junior Convenors represent the junior committee and its junior members in the respective Men's and Ladies Club committees. Any issues or suggestions raised by junior members will initially be brought to the appropriate junior committee, and then if necessary, to the respective club committee by the junior convenor. All issues will be discussed in confidence.

WHS Handicap Index

All new members will initially play with a Junior Handicap assigned to them by the resort. In time, once a certain standard is attained, Dara Ford PGA (on behalf of the resort) will recommend to the respective junior committee that the junior golfer is ready to apply for a WHS Handicap Index. The eligibility for handicap application is at the discretion of each Junior Committee and will not be solely determined by golfing ability but will also consider golf etiquette as well as the junior golfer's attitude and behaviour on and off the golf course.

To obtain a WHS handicap Index a junior must play a total of 54 holes, made up of 9 or 18-holes scores, in Galway Bay with an existing student/adult member;

GALWAY BAY *golf resort*

- Boys play off the yellow tee-boxes and girls off the red tee-boxes
- Record your scores and have the existing member countersign your card.
- Clearly mark the top of the card "FOR HANDICAP PURPOSES ONLY" and drop it into the junior scorecard box under the junior noticeboard.
- Unless approved by the Junior Club Handicap Secretary, at least 18 holes must be in the company of a member of the junior committee.
- The maximum hole score for handicap purposes during your initial 54 holes is par +5. Cards will only be accepted for WHS handicap application if they meet the following criteria:

To retain your WHS Handicap Index, you must play in 3 qualifying competitions each year.

Competitions

Junior Competitions

There will be junior competitions run throughout the year. While open to all juniors, they are targeted towards those not eligible to compete in adult competitions.

A team captain is appointed for each Interclub team, with a remit to prepare the team as best they can in a fun and safe environment. Team communication will take the form of group messaging (e.g. WhatsApp groups).

Each team member must show the highest standard of behaviour on and off the golf course. Failure to do so may result in their withdrawal from an event even if it results in team expulsion.

Communication

Galway Bay Golf Resort pass personal information you provided to them to the respective junior convenors. This is used solely to contact you in the normal course of administration of our clubs including the running of competitions, organising coaching, preparing Interclub teams, and advising matters of golf interest in general. We will not divulge the personal information of any member to any third party organisation, and will remove it from our records when the member leaves the junior club.

Membership renewal is only guaranteed if a member plays a minimum of 10 x Galway Bay competitions up to Oct 31st each year [Men's/Ladies Club, Junior Club or Resort Open Days]. All others must re-apply for membership and will be considered alongside those on the waiting list.

Safety on the Golf Course

Safety is a priority at all times for the resort:

- Water is a large feature of the course. Be aware of the hazards and avoid them where possible. The lakes are deep so stay clear and do not attempt to retrieve golf balls to avoid the danger of falling in.
- To prevent harm from the chemicals used on the course and from animal droppings always wash your hands after playing golf.
- Prior to making a practice swing or playing a stroke, ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs etc. which may be moved by the stroke or swing
- As far as possible be very careful that you don't hit anyone with a golf ball. Wait until the golfers ahead / all course-staff are out of range before playing your shot. Shout 'fore' if your ball is likely to land close to others on the course.
- Always stand behind the ball being struck to avoid getting hit with club or ball.
- Children under the age of 13 years must be accompanied by an adult at all times.
- Parents/guardians are encouraged to accompany their children (need not be in a golfing capacity) while their children play casual golf, particularly between the ages of 10 and 15 years. Parents/guardians are encouraged to familiarise themselves with course etiquette and safety.
- The company, its servants or agents (including the Men's Club and Ladies Club) DO NOT PROVIDE ANY GUARDIANSHIP/SUPERVISION during the playing of casual golf.

Playing Golf

All juniors are permitted to play the course subject to booking tee times in advance on the BRS booking platform. This must be used for both casual games of golf and competitive.

Monday to Friday: Subject to availability of tee times as per the BRS booking system and its booking conditions.

Saturday and Sunday: After 4.30pm

All times are subject to availability and all juniors must be checked in through the golf shop to be cleared to play.

In respect of Junior members eligible to play in the weekly Men's and Ladies competitions, they are entitled to book and play at all members times, with restrictions that no more than two junior members can book on any one fourball, and they must have a student/adult member playing alongside them to mark their card.

With the course at its busiest from Friday to Sunday, it is required that all members book a time in advance using the BRS booking platform.

Avoid slow play and holding up other golfers playing on the course by keeping a reasonable pace of play or if delayed, allow players behind you to play through.

The rules of golf are designed to help you enjoy your game. Make sure you have a rules book in your bag (free copies are available in club house).

Care of the Golf Course

Please respect the course:

- A pitch-mark repairer is required by every golfer. Repair your pitch marks on every green, and whenever possible you should also repair those not made by you. A pitch mark left unrepaired for 24 hours will take 2 weeks to heal.
